ADDENDUM NO. 1

RE: Item #1, May 1, 2024 Letting - IM 0296(33)168, PCN 07D4, Hamlin County - Prestressed Girder Repair & Concrete Metalizing

TO WHOM IT MAY CONCERN:

The following addenda to the plans shall be inserted and made a part of your proposal for the referenced project.

SPECIAL PROVISIONS: NO CHANGE

SDEBS BID PROPOSAL: *The electronic bid proposal for this contract has been revised to include the changes associated with this addendum. Bidders must log in to the SDEBS to retrieve and incorporate these changes into their bid.*

There was an error in the bid file when the line items were generated that caused the line items to be duplicated. This addendum will correct the error and provide for the correct number of contract line items.

PLANS: NO CHANGE

Sincerely,

Sam Weisgram
Engineering Supervisor

SW/cj

CC: Mark Peterson, Aberdeen Region Engineer
Matt Brey, Watertown Area Engineer
