ADDENDUM NO. 1

RE: Item #2, June 5, 2024 Letting - NH 0081(129)131, PCN 09KF, Hamlin County - Lighting

TO WHOM IT MAY CONCERN:

The following addenda to the plans shall be inserted and made a part of your proposal for the referenced project.

SPECIAL PROVISIONS: NO CHANGE

SDEBS BID PROPOSAL: NO CHANGE

PLANS: PEN and INK REVISION: Add the following note to sheet 4 of the construction plans:

CONDUIT

At locations where conduit is to be placed under a hard surface (including asphalt & concrete roadway, driveways, approaches; curb & gutter; sidewalk, etc), installation will be accomplished by boring (jacking or drilling) operations. The use of trenching at these locations will only be permitted after boring attempts have failed. Refer to 635.3.C of the Specifications for complete requirements.

Sincerely,

Sam Weisgram
Engineering Supervisor
