ADDENDUM NO. 1

RE: Item #3, June 11, 2014 Letting - SSW10 1837(), PCN X02U, Pennington County - City Utilities

TO WHOM IT MAY CONCERN:

The following addenda to the plans shall be inserted and made a part of your proposal for the referenced project.

SPECIAL PROVISIONS: Please remove the Special Provisions checklist and replace with attached Special Provisions checklist revised 6/10/14.

Please remove the "Special Provision for Right of Entry", dated 5/13/14 and replace with the "Special Provision for Right of Entry", dated 6/10/14.

BID ITEM FILE: NO CHANGE

PLANS:

Sheet A8: PEN AND INK CHANGE, Please add the following note:

Haul Routes

In lieu of what was discussed at the pre-bid meeting, Canyon Lake Drive may not be used as a haul route. Empty trucks only may use Beach Drive as a turn around. The contractor will be required to have a haul route agreement. Loaded trucks will only be allowed to use designated state highways. No other City routes will be allowed to be used as haul routes.

Sheet A11R: Please destroy sheet A11 and replace with sheet A11R, dated 6/9/14.

The staging area for the project has been relocated from its original location in Jackson Park near Heartland Court, to an area west of Park Drive near the Fire Station at 2902 Park Drive. A haul route agreement will be required for Park Drive in order to access the staging area. The Staging Area Note on Sheet AS remains applicable to this site. Any erosion control and/or temporary access approach required for the staging area shall be the responsibility of the Contractor.

In general, Staging Areas throughout the project may not be located within the defined FEMA Floodway. The limits of the Floodway are depicted in the Rapid City GIS System located at the following link;

<http://www.rcgov.org/GIS/rapidmap.html>

REV. 6/10/14

SPECIAL PROVISIONS

PROJECT NUMBER(S): SSW10 1837() PCN: X02U

TYPE OF WORK: CITY UTILITIES

COUNTY: PENNINGTON

The following clauses have been prepared subsequent to the Standard Specifications for Roads and Bridges and refer only to the above described improvement, for which the following Proposal is made. In case of any discrepancy or conflict between said specifications and these Special Provisions, the latter are to govern.

The Contractor's attention is directed to the need for securing from the Department of Environment & Natural Resources, Foss Building, Pierre, South Dakota, permission to remove water from public sources (lakes, rivers, streams, etc.). The Contractor should make his request as early as possible after receiving his contract, and insofar as possible at least 30 days prior to the date that the water is to be used.

Penny Kutz is the official in charge of the Rapid City Career Center for Pennington County.

THE FOLLOWING ITEMS ARE INCLUDED IN THIS PROPOSAL FORM:

- Instruction for Bidders, dated 5/15/14**
- Special Provision Regarding Combination Bids, dated 5/13/14**
- Special Provision Regarding the City Portion for Subletting, dated 5/13/14**
- Special Provision Regarding Right of Entry, dated 6/10/14**
- Special Provision for Contract Time, dated 5/7/2014**
- Section 7S Supplemental Conditions**
- Section 02070 Wastewater Flow Diversion Plan**
- Section 02072 Wastewater Discharge Emergency Response Plan**
- Section 13901 Water Main Corrosion Protection**
- Section 195 Specification for Landscape Planting**

- Special Provision for Electronic Bidding Requirements, dated 12/18/13.
- Special Provision for Differing Site Conditions, dated 12/19/13.
- Special Provision for Suspension of Work, dated 2/13/04
- Standard Title VI Assurance, dated 1/15/04.
- Special Provision For Implementation of Clean Air Act & Federal Water Pollution Control Act, dated 9/1/97.
- Supplemental Specification for Errata, dated 3/3/10.
- Supplemental Specification to Standard Specifications for Roads and Bridges, dated 3/3/10.

**STATE OF SOUTH DAKOTA
DEPARTMENT OF TRANSPORTATION**

**SPECIAL PROVISION
REGARDING
RIGHT OF ENTRY**

**SSW10 1837(), PCN X02U
PENNINGTON COUNTY**

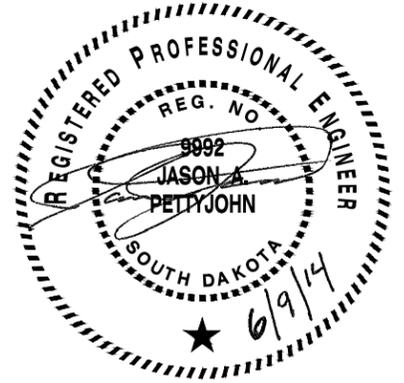

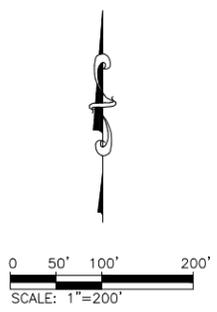

JUNE 10, 2014

All right of way and/or right of entry for this project has been secured or will be secured prior to the day of the letting, and all improvements/personal property to be removed under right of way negotiations have been moved or will be moved prior to the day of the letting, **except for those listed below**, unless an extension of time is granted in writing by the SD DOT Right of Way Program Manager, or his authorized representative. Any extension of time after the letting will be in writing by the City Engineer, or his authorized representative, subject to concurrence of the construction contractor.

The Contractor's work limits shall not extend into the parcel noted below until the Contractor receives notification from the Engineer that the right of way and/or right of entry has been secured.
