RE: Report of receipts and expenditures

As a former candidate, you must file a campaign finance report. This report should include all receipts and expenditures since the ending date of your last report which was filed 7/16/2002. Your beginning balance on this report should be \$131.26 which was the ending balance on your last report.

If you had outstanding obligations listed on your last report these must also be accounted for. Your outstanding obligations were reported as:

This report is due in this office by January 3, 2005. I apologize for not having sent this information to you sooner.

If you want a written acknowledgment of receipt of your report, please send a stamped, self-addressed envelope.

If you have any questions about completing this report, please refer to the Campaign Finance Reporting Guidelines you received as a candidate or call Kea Warne in my office at 773-3537.

Red, the \$131.26 above was used in miscellaneous bank fees for my account. (That account has been closed since the fall of 2002.) Also, when bank fees were paid, the balance was used to cover some of the money I had personally made available from my own funds. The account is closed out.
