**Subject:** Political Action Committee Pre-Primary Report, 2006, Democracy in Action

Dear friends,

Enclosed is Democracy in Action's Pre-Primary Report of Receipts and Expenditures for 2006.

Please note that I have also enclosed an amended summary page for the December 31, 2005, report. Some time in 2004 or early 2005, before I took over as bookkeeper, a deposit in the amount of \$49.91 was made to our account, but we have no record of it, either in the banking statements we have, or in our deposit records. The money is, however, there in the account, and we would like to amend our last report to reflect that fact. We apologize for the lack of information about this deposit; we are an all-volunteer organization, and our paperwork, while usually excellent, is lacking in just this one instance.

As a result, we have changed the answer to the Summary Page question #1, Amount on Hand at the Beginning of the Reporting Period, to \$1,626.01 from the original figure of \$1,576.10. Nothing else changes in the 2005 year end report except the answer to the Summary Page question #9, Amount on Hand at the End of the Reporting Period. That figure changes from \$4,504.03 to \$4,553.94, which is the amount carried forward onto the pre-primary report enclosed here.

Again, we apologize for any confusion this alteration might cause you. If you have questions concerning this report, please call me at (605) 348-4626. Thank you.

Sincerely,

Karen Hall

Please note this is an amended summary. Our previous treasurer, who no longer lives in the area, did not, during her tenure, provide any paperwork reflecting a deposit transaction in the amount of \$49.91, which is the difference between the previous report's No. 1, Amount on Hand and what our records reflect. These numbers accurately show our account balances at the end of 2005.
