RE: 410-B191, Sanborn County - Woonsocket
Furnish & Construct Pole Type Bulk Salt Storage Building

The South Dakota Department of Transportation (SDDOT) desires to solicit bids to construct a pole type bulk storage building at the Woonsocket Maintenance Yard. Refer to the enclosed plans for location and details of the work to be done.

A Contract Proposal (DOT 123) form is enclosed for submission of your bid. Be sure to have the form signed and notarized as indicated on the form. FAX bids will not be accepted.

At the time of execution of the contract, the successful bidder shall furnish a performance bond in a sum equal to the full amount of the contract. The performance bond must be written by South Dakota Resident Agents or be counter signed by South Dakota Resident Agents. If a cash performance bond is provided, it will not be returned for one (1) year after the completion of the project.

A Certificate of Insurance will be required from the successful bidder prior to beginning work.

All bid proposals must be returned in the enclosed self-addressed envelope to Thomas L. Week, Region Engineer, Post Office Box 1206, Mitchell, South Dakota 57301-7206 before 1:30 P.M. on Thursday, April 26, 2007.

Proposal and Plans (and Addenda, when applicable) can be accessed at the following link:

http://www.sddot.com/pe/projdev/bidlet_lettings_regional.asp. It is the Contractor's responsibility to obtain any addenda pertaining to this contract prior to submitting a bid. Addenda, if and when applicable to this contract, will be posted on this website with the contract.

Questions regarding the plans and/or proposal should be directed to:
Jeff Gustafson or Eric Prunty at 605-995-8120
Monte Rice at 605-995-8129.

The SDDOT reserves the right to reject any or all bids.

Please verify that all required information is complete prior to mailing bid documents.

Sincerely,

DEPARTMENT OF TRANSPORTATION
