All insurance policies must be issued by a corporation qualified and authorized to write the policies in the State of South Dakota. These insurance policies will include additional insured endorsements in favor of the State of South Dakota, the Department, and the Department's officers and employees on a primary and non-contributory basis. The endorsements must state:

- liability coverage is limited to claims not barred by sovereign immunity;
- subrogation is waived against the State of South Dakota, the Department, and the Department's officers and employees; and

Failure to maintain the insurance as required constitutes a material breach of contract. The Department may, after giving 5 business days' notice to the Contractor to correct the breach, immediately terminate the contract in accordance with Section 8.10 or may procure or renew such insurance and pay all premiums. The Department may demand repayment of premium costs by the Contractor or may offset the premium costs against funds due the Contractor from the Department.

Any right of the State of South Dakota, the Department, and the Department's officers and employees to receive indemnification and insurance will not give rise to a duty on the part of the State to exercise its rights or status for the benefit of the State or any other person or entity.

1. The Contractor and each related subcontractor will pay all laborers and mechanics working at the site of work unconditionally and not less than once a week, and without subsequent deduction or rebate of any account, other than permitted payroll deductions. 2. The Contractor and each related subcontractor will pay their respective employees not less than the USDOL minimum wage for each work classification an employee actually performs at the site of the work.
3. The Contractor and each related subcontractor must submit weekly, for each week in which any contract work is performed, an electronic certified weekly payroll report. The payroll report must be submitted electronically to the Elation System website. The Elation System website can be accessed by logging onto the State of South Dakota's single sign-on website at <https://mysd.sd.gov/> or can also be accessed at <https://elationsys.com/>. First time users will need to use the Promotion Code SDDOT-19. The payroll report must be submitted within fourteen (14) calendar days after the end of the workweek. Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award, pursuant to 29 CFR 5.5(a)(1)(ii); contractors are responsible for requesting SDDOT to secure necessary additional work classifications and rates.

The "SA" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R. 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the "SA" identifier took effect under state law in the state from which the rates were adopted.
