NOTICE TO CONTRACTORS

April 27, 2017

TO: INTERESTED BIDDERS

RE: **PROJECT M 0009-352**
Haakon County – Philip DOT Maintenance Shop
Partial Building Floor Removal/Replacement & Sewer Repair

The South Dakota Department of Transportation (SDDOT) desires to solicit bids for the above referenced project.

A copy of the plans/proposals may be downloaded from the SDDOT Regional Letting website at the following location: <http://sddot.com/business/contractors/bid/region/Default.aspx> or may be obtained in paper format by contacting the Pierre Region Office at 605-773-3464. Contractors that didn't receive this invitation by mail, but downloaded the bidding documents from the website, are encouraged to let the Pierre Region Office know of their intent to bid on this project so that we can get them added to the plan holders list.

The Department of Transportation in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d to 2000d-4, and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on grounds of race, color, religion, national origin, sex, age, or disability in consideration of an award.

Any addenda will be posted on the regional letting website no later than **5:00 P.M. Central Time on Monday, May 15, 2017**. It will be the Contractor's responsibility to verify that no addenda have been posted prior to submitting bids. Every addenda posted on the website will have a cover sheet attached to it that the contractor will be required to include with their bid. Failure to incorporate changes made through addenda and not submitting all cover sheets will result in an incomplete bid which will subsequently be rejected.

Each bid in excess of \$50,000 must be accompanied by a bid bond, certified check, cashier's check, or bank draft for NOT LESS THAN FIVE (5) PERCENT OF THE TOTAL AMOUNT OF THE BID. If an electronic bid bond is used, the Contractor is required to submit the bid bond identification number with the bid. Except for the lowest bidder on the project, all guarantees will be returned immediately following the receipt and checking of all bids.

At the time of execution of the contract, the successful bidder shall furnish a performance bond in a sum equal to the full amount of the contract. **Note:** A cashiers check, money order or other monetary instrument in the total amount of the contract, made out to and under the full control of the Department, is acceptable in lieu of a performance bond. Such bond shall remain in effect for not less than one year after date of acceptance of the completed contract by the Department.

A Certificate of Liability Insurance will be required of the successful bidder prior to beginning work.

The enclosed **Contract Proposal (DOT-123)** form and **Bid Bond (if necessary)** shall be submitted with your bid. The bid will be considered incomplete if these are not included with your bidding documents.

Sealed bids for the contract will be accepted by the SDDOT via available shipping couriers or may be hand delivered to the Pierre Regional Office until **2:00 P.M. Central Time on Thursday, May 18, 2017**. At that time all submitted bids will be opened. Bids must be received in an envelope with “**Building Floor/Sewer Repair – DOT Philip Shop**” written on the outside. Be sure to have all required forms signed and notarized as indicated on the forms as failure to do so will result in an incomplete bid. No faxed bids will be accepted.
