**ADDENDUM NO. 4**

RE: Project Nos. 0009-452, 0009-451, & 0009-467, Garage Door Replacement in Rapid City and Deadwood

**TO WHOM IT MAY CONCERN:**

The following addenda to the plans shall be inserted and made a part of your proposal for the referenced projects.

On Section 2.2 A. (8) Electric Motor Operation, modify the section by adding the *italicized* words below to the first paragraph:

**(8) Electric Motor Operation:** Provide UL listed ..... monitoring of safety devices. *Two of the doors in Building B will serve a vehicle wash-bay in a humid environment. Operators for these two doors are to be designed and manufactured for this type of environment.*
