### **ADDENDUM NO. 1**

**Re: 029 S-168, PCN i35j,  
Brookings County  
Structure Repair-Heat Straightening**

#### **TO WHOM IT MAY CONCERN:**

The following addenda is being issued for clarification of bid item "Structural Steel, Miscellaneous". This shall be inserted and made a part of your proposal for the above referenced project.

Item #10 of the FIELD BOLTED GIRDER SPLICE note states that the bid item "Structural Steel, Miscellaneous" is for replacing the splice bolts. To clarify, the bid item "Structural Steel, Miscellaneous" is for replacing the bolts in the bottom flange splice plate at Girder 1 where only the bolts in the bottom splice plate are being replaced, and not the plate. At Girder 5 where the whole splice plate is being replaced, the bolts are included in the bid item "Bolted Girder Splice", as explained in item #11 of the FIELD BOLTED GIRDER SPLICE notes.

**When sending in your sealed bid please state on the front of the envelope that Addendum No. 1 was received.**

Sincerely,

DEPARTMENT OF TRANSPORTATION
