NOTICE TO CONTRACTORS

June 17, 2016

TO: INTERESTED BIDDERS

RE: PROJECTS 000P-371 & 000N-371
PCN i48m & i48n
Campbell, Edmunds, McPherson & Walworth Counties
Road Killed Deer Removal – Mobridge Area

Bids for the above referenced project were previously opened on May 12, 2016 and on June 14, 2016 but were all rejected, subsequently the South Dakota Department of Transportation (SDDOT) desires to once more solicit bids for the above referenced project.

A copy of the plans/proposals may be downloaded from the SDDOT Regional Letting website at the following location: <http://sddot.com/business/contractors/bid/region/Default.aspx> or may be obtained in paper format by contacting the Pierre Region Office at 605-773-3464. Contractors that didn't receive this invitation by mail, but downloaded the bidding documents from the website, are encouraged to let the Pierre Region Office know of their intent to bid on this project so that we can get them added to the plan holders list.

The Department of Transportation in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d to 2000d-4, and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on grounds of race, color, sex, religion or national origin in consideration of an award.

Any addenda will be posted on the regional letting website no later than **5:00 P.M. Central Time on Wednesday, June 28, 2016**. It will be the Contractor's responsibility to verify that no addenda have been posted prior to submitting bids. Every addenda posted on the website will have a cover sheet attached to it that the contractor will be required to include with their bid. Failure to incorporate changes made through addenda and not submitting all cover sheets will result in an incomplete bid which will subsequently be rejected.

There are **no** bonding requirements for this contract; however, a Certificate of Liability Insurance will be required of the successful bidder as stated on Sheet 2, note No. 9 in Project Specifications.

Sealed bids for the contract will be accepted by the **South Dakota Department of Transportation, 104 S. Garfield – Bldg. A, Pierre, SD 57501-5405**, or may be hand delivered to the **Pierre Region Office – Bldg. A** until **2:00 P.M. Central Time on Tuesday, July 5, 2016**, and will be opened at that time in the **Pierre Region Office – Bldg. A**. Bids must be received in an envelope with “**Road Killed Deer Removal – Mobridge Area**” written on the outside.

The Contractor’s signature on the DOT-123 Form must be notarized to constitute a legal bid.

No faxed bids will be accepted.

Please verify that all required information is complete prior to mailing bid documents.

The SDDOT reserves the right to reject any and all bids.

Questions regarding the plans/proposal should be directed to:
John Villbrandt at 605-845-3844 – Mobridge Area Engineer

Respectfully,

DEPARTMENT OF TRANSPORTATION

John C. Forman, P.E.
Pierre Region Engineer

PROJECT DEVELOPMENT ENGINEER

ROAD KILLED DEER REMOVAL – PROJECT SPECIFICATIONS

PROJECTS 000P-371 & 000N-371

PCN i48m & i48n

The South Dakota Department of Transportation and the South Dakota Department of Game, Fish and Parks, hereafter referred to as the STATE, are desirous of having road killed deer promptly removed from the public right of way and disposed of properly.

The STATE agrees to:

1. The South Dakota Department of Transportation will communicate to the Contractor the location of known road killed deer, including the highway number, county, milepost (MRM), or an adequate description of the location from a known point during normal business hours (8:00 AM – 5:00 PM).
2. Provide the State Highway Patrol, County Sheriffs, Department of Transportation and Game, Fish & Parks with highly visible, wire staff, plastic flags that will be used to mark road killed deer locations. These flags are to mark locations of road killed deer not easily seen.
3. Provide the Contractor with a supply of road killed deer reporting forms.
4. The Department of Transportation will compensate the Contractor monthly, at the contract unit price, for each deer picked up and disposed of properly. A contact person and telephone number will be provided to answer any payment questions or problems.

The CONTRACTOR agrees to:

1. Pick up road killed deer twice weekly (Tuesday and Friday) after being contacted as described in (1) above. **Continued failure to pick up road killed deer will result in early termination of the contract by the State.**
2. Provide the Department of Transportation with the name of a contact person along with a telephone number, cell phone number, email address and/or a fax number.
3. Dispatch properly equipped vehicles with qualified drivers to pick up the reported deer kill, unless circumstances intervene – such as illness or holidays. In such circumstances, the Department of Transportation will be notified and so advised. The Contractor will work with the Department of Transportation to resolve any such problems.
4. Pick up all road killed deer located within the public highway right-of-way on routes as listed on the contract, regardless if reported or not. Contractor will notify the Department of Transportation of the pick up of road killed deer that have not been reported.
5. Advise the Department of Transportation within twenty-four (24) hours of the discovery of unsafe circumstances at any road killed site that prevents the Contractor from reasonably accomplishing the pick up of a road killed deer.
6. Complete the State furnished Road Killed Deer Report forms for all deer collected. The forms shall be submitted at the end of each month to the Department of Transportation, Mobridge Area Office, PO Box 488, 2311 W Hwy 12, Mobridge, SD 57601. **The completed forms will include the Date Notified, County, Highway number, MRM location, GPS Coordinates or Latitude/Longitude, Species, Sex and Date Picked Up.**
7. The Contractor will dispose of any plastic flags that have marked deer locations along with the road killed deer.

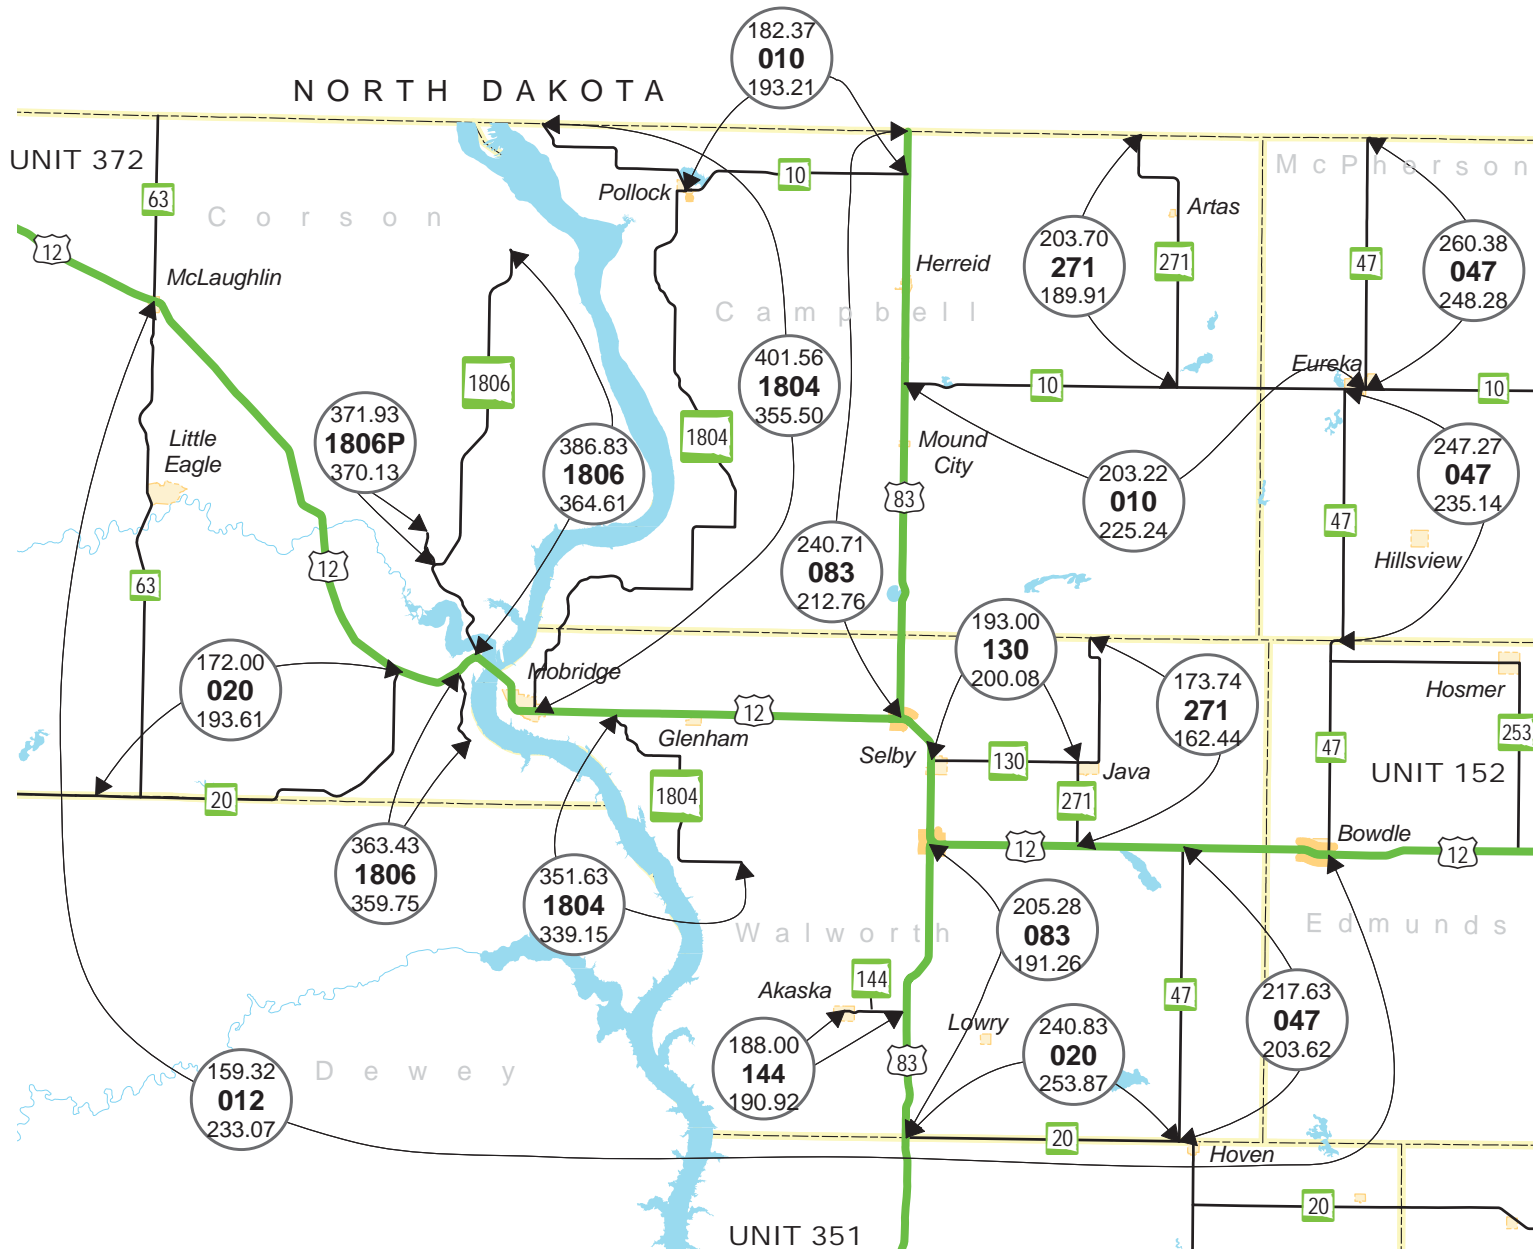

ROAD KILLED DEER REMOVAL – PROJECT SPECIFICATIONS

PROJECTS 000P-371 & 000N-371

PCN i48m & i48n

8. Maintain, in good working condition at all times, an amber warning light, strobe or rotating light, approved by the Department of Transportation. The amber light is to be placed on the upper rear – or cab – of each vehicle used under this contract. The amber light will supply a safety warning while loading the road killed deer or otherwise occupying the right-of-way in performing the services of the contract. The Contractor shall park his vehicle on a field entrance or on the shoulder of the highway so as to not impede traffic on the highway.
9. Purchase and maintain liability insurance for the duration of the Contract to cover property damage or bodily injury as imposed by law. This liability insurance shall contain a minimum coverage amount of \$500,000.00. This insurance shall cover all operations under the contract whether performed by the Contractor or a subcontractor. **(This liability insurance is above and beyond normal liability insurance typically associated with homeowners, automobile, etc. The Bidder is strongly encouraged to contact an insurance company prior to submitting bids for this contract to obtain quotes for this insurance.)**
10. Worker's Compensation Insurance shall meet the requirement of the South Dakota Workmen's Compensation Law.
11. Before commencing the work, the Contractor shall furnish a certificate of insurance, certifying that the policies will not be changed until 30 days written notice has been given to the Department of Transportation. The certificates of insurance shall provide evidence that sufficient liability insurance, with a minimum coverage amount of \$500,000.00 is carried.
12. The Contractor will dispose of each deer properly in accordance with all State laws, regulations, and County/City ordinances. Disposal regulations may be obtained from Andy Lindbloom with the Game, Fish and Parks Services. The telephone number is (605) 223-7709.
13. Contractor agrees to comply with the American with Disabilities Act of 1990.
14. The Contractor is NOT entitled to harvest any part or parts from any road killed deer. The entire carcass must be disposed of.
15. Provide services as defined and described above within Campbell, Edmunds, McPherson & Walworth Counties as shown on the enclosed map.
