AVAILABILITY OF PLANS AND PROPOSALS:

Specifications and proposal forms are available at the Aberdeen Regional Office and at the following website: <https://apps.sd.gov/HC65BidLetting/RegionDefault.aspx>

The DOT-123 form provided within the proposal document is for information only. Do not use for bidding purposes. Bids submitted on the enclosed DOT-123 form will be considered void and will not be accepted by the department. Please email the Aberdeen Region office for the DOT-123 form that can be used for bidding purposes to the following:

Scott.Schneider@state.sd.us and Michael.Welch@state.sd.us

The email request for the DOT-123 form shall include the following information, so that the SDDOT can maintain a list of prospective bidders for this project and to maintain a contact list for future region lettings:

Company Name
Mailing Address
Phone Number

Addendums, if any, will be made available on-line at the above website, no later than **48 hours** prior to opening bids. It will be the Contractor's responsibility to check for addendums prior to submitting bids.

Revised 3/31/21

Bidders will be required to fill out the blank spaces in the proposal form correctly. The bidder must fill in a unit price for each bid item shown on the proposal form. Bidders will also be required to carry out extensions and determine the "Total or Gross Sum Bid" as indicated in the proposal. The total of any proposal, as determined by the bidder, will be used only for a comparison when bids are publicly opened and read, and any errors noted in extensions or totals will be corrected to determine the "Total or Gross Sum Bid" of any proposal.

Failure to properly carry out any of the above requirements is deemed as sufficient reason to reject any proposal.

BONDING & INSURANCE:

A **bid bond** will not be required.

The successful bidder must provide a **performance bond** in the total amount of the contract prior to beginning work on the project as per section 3.5 of the Standard Specifications.

NOTE: A cashiers check, money order or other monetary instrument in the total amount of the contract, made out to and under the full control of the Department is acceptable in lieu of a performance bond. Such bond shall remain in effect for not less than one year after date of acceptance of the completed contract by the Department.

Unless the successful bidder already has a **Certificate of Insurance** on file in the Bid Letting Engineer's Office in Pierre, one must be furnished to the Region Office in Aberdeen. The contract award is subject to verification of the Contractor Excise Tax License and receipt of the Performance Bond or Cashiers Check and Certificate of Insurance.

PREQUALIFICATION:

In accordance with current bidding procedures, [Administrative Rules 70:07:02](#), a bidder must be prequalified prior to bidding on state highway construction projects, unless his bid is less than \$250,000. Bidders must be prequalified for the Work Type(s): **Work Type 4, Portland Cement Concrete Repair**.

Contractors may apply for prequalification by fully completing and executing a Prequalification Statement on forms furnished by the Department. Such application must be sent to the Classification and Rating Committee at the Becker-Hansen Building, 700 East Broadway, Pierre, SD 57501 at least fourteen (14) days prior to the day of the letting. This form is available on line at <https://dot.sd.gov/doing-business/contractors/forms-documents> and is Form DOT-144-Contractor's Prequalification Form. Maintenance stockpile projects are excluded from this requirement.

Requests to add work types are considered a new questionnaire submission, and must meet the 14-day requirement.

A line of credit submitted to increase bidding capacity must be received by the committee before 4:00 p.m. of the last working day of the week preceding the letting. If the Legislature or the Governor declares the afternoon of the last working day of the week preceding the letting to be a holiday, the request must be received before 11:00 a.m. of the last working day. This form is available on line at <https://dot.sd.gov/doing-business/contractors/forms-documents>.

Upon approval by the Committee, said Qualification shall be in force for not more than eighteen (18) months from the date of the balance sheet submitted.

MARCH 31, 2021

In accordance with the Special Provision for Prequalification of Bidders (dated 10/16/2020), prequalification on state highway construction contracts is required unless the amount being bid is less than \$250,000.

For this project, a prospective bidder must submit a Contractor's prequalification statement on a form approved by the Department ([Contractor Prequalification Statement Form](#)), in accordance with the Special Provision for Prequalification of Bidders (dated 10/16/2020) except the application must be received by the Department's classification and rating committee at least 7 calendar days prior to the letting date, to request prequalification for specialty work. The application must include the prospective bidder's qualification requirements as required below.

The Contractor shall provide documentation of experience for the Contractor's superintendent performing Abrasive Blasting of PCC Pavement. The Contractor's superintendent shall have a minimum of 2 years and 5,000 yd² of Abrasive Blasting of PCC Pavement experience on projects with the South Dakota Department of Transportation or other state highway agencies.

For this project, Abrasive Blasting of PCC Pavement is considered specialty work but is not considered a "specialty item" as specified in Section 8.1 of the specifications and all requirements of Section 8.1 will apply.
